Date: 13th October, 2023

Symbol: ARHAM

Sub: - General Corporate Announcement

We wish to inform you that we are entering into manufacturing of Commercial Production of Ceiling Fans and Solar BLDC Fans with remote control. The installation and trails of the machines has been successfully completed and we will start the manufacturing of the same on the Auspicious day of Navratri 2023. Due to this manufacturing of Commercial Production we are expecting current year's sales and profitability will increase in comparison to the previous year.

The above is for your information and dissemination to the stakeholders.

Thanking you,

Yours faithfully,

For Arham Technologies Limited

Pooja Avinash Gandhewar

Company Secretary cum Compliance Officer
